TESTIMONY FOR Mr. ZAHID SHAIKH

I am **Nasir Khan** from M/s Airofrost HVAC Systems Pvt. Ltd., we are into Air-conditioning solutions...

I had given referral to **Mr. Zahid Shaikh** for Pest control at my Office, Residence & Car...

Zahid bhai took personnel interest in my pests and sent his team to analyze the situation first and then send them with equipments to do the necessary pest control treatment at my Residence, Office & my car...

Six months have passed by, we are very happy with his treatment, as pests are almost controlled and they are not re surfacing at the same pace speed which we have observed early...

We had earlier tried Godrej & Pecopp few big names in this business, but we found A to Z Pest Control very reliable and cost effective as well...

I am very thankful to Mr. Zahid Shaikh for putting extra effort in making me feel happy...

The pleasure would be mine in referring Mr. Zahid Shaikh to any of my client for their Pest control requirements...

Thank you once again **Mr. Zahid Shaikh**...

Thanking you,

(**Nasir Khan** – Director)
