**TESTIMONIAL**

To,  
Zahid Shaikh  
Owner - A to Z Pest Control

Dear Sir,

I the undersigned am a Director at Scientica Life Sciences Private Limited. As a practicing homoeopath I have cured many acute and chronic diseases. Often I have to travel in my own car to places like Vapi, Pune, Nashik. One year back I met with a strange accident wherein a cockroach in the car cabin diverted my attention and I banged the car on to near by tree due to loss of focus. Fortunately neither anyone got injured nor there was damage to the car as the speed was very slow.

On 23<sup>rd</sup>, May, 2012 I have to travel to Vapi. At 11 pm in the night on May 21<sup>st</sup> I sent a SMS to Zahid Bhai requesting to send his personnel for pest control of my car. Promptly responding to the SMS he sent his personnel at 11 am on May 22<sup>nd</sup> who completed pest control of my car. I did not use my car whole day on 22<sup>nd</sup>. I was informed that it will take ten to fifteen days to get optimal results. On 23<sup>rd</sup> before leaving for Vapi I enquired with my car cleaner whether he came across any cockroaches in the car cabin. To my surprise the car cleaner informed me that there were many dead cockroaches and one dead lizard in the car cabin. I was totally shocked to know that so many passengers were traveling with me where ever I have traveled in my car. Thanks to Zahid Bhai for such a prompt and effective pest control service. Keep up the promptness and effectiveness.

Yours faithfully,

Dr. Ashutosh Pradhan
