### Testimonial

I am Saneel Sanzgiri from Tradition n Trenz Event Management Pvt Ltd from Biz Angels Chapter, Andheri East.

My Brother was bitten by an insect when he was asleep. He called me next day to enquire about Pest Control to be done asap as he has a 18 months daughter and he feared her safety. I asked Zayed Sheikh of Ato Z Pests.

Zayed Sheikh spoke to my brother the same day enquired about the insect and gave him the solution for the same as per the effectiveness and smell of the pest as the daughter of my brother can get affected by same. Even in the busy Schedule of the workers Zayed Bhai did the Pest Control in the House.

One day after the Pest Control was done the Insect was seen dead at one corner of the house. The house is not small it is 1300 sq ft. The Effectiveness of the Pest Control was extremely satisfying and my brother is very happy with the service provided by A to Z Pests. The Building where he resides is also discussing about A to Z Pests services

I will Surely Recommend A to Z Pest to one and all!

Regards,

Saneel Sanzgiri
